炎の蜃気楼

Mirage of Blaze

So
You said
that
you
wanted
my
help.

What
is
it
you
want
me
to
do?

That
young
woman
you
met
with
Yuzuru-
san
the
other
day—
Please
keep
an
eye
on
her.

炎の蜃気楼

Mirage of Blaze

She had also been possessed by some spirit

So she really is involved?

The young woman... You mean Yulko?

Please do not let Yuzuru-san come in contact with her again

Some spirit? Whose?

But it feels quite dangerous.

That I do not know

Not like
he'd believe
it
even if we
did

I see. Well...
If we tell
Yuzuru-san
everything,
it will only
frighten him
unnecessarily

On the
other hand,
I will not be
able to
guard him
unless he is
able to
trust me

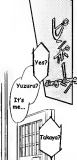

I sup-
pose we
will need
to put
on some
sort of
act

Yeah,
you
totally
give off
those
"I'm
fishy"
vibes

Act

Of course I
shall need
collaboration
from you,
Tokoro-san

Sanjō-no-Kata-sama.
There is
something of report I
wish to report.

First
we must
break
the
censer
bando
of the
spiritual
vessel—
of
Narita
Yuzare,
and
release
our
Lord.

Kousaka.

What
is it?

The
Utsugi
appear to
be on the
move.

Yes.

It seems that the remnants have re-organized themselves. Their goal is the eventual collapse of the "Yomi-Sengoku".

Was it not concluded a short time ago?

The Uesugi

The vanguard of Uesugi Kenshin? Those who are called the *Maikori Uesugi Army*?

What should we do?

If such a thing should occur, then there will be no way to bring him back.

If Kenshin's korehausho are on the move, then their purpose must be the *ichibuboku* of our Lord.

Fear not,
they shall
never
touch our
Lord.
If such a
crucial
moment

should
arrive,
thou wilt
act as our
rear guard.
Such is
the duty
of a
vassal!

Thou
knowest
full well.
We will
bring them
to dust.

We
must
first
release
our Lord!
We will
begin
immedi-
ately.

there is
one who
has given
me cause
for
unease.

Also...

Yes,
my
Lady.

Upon
taking
possession
of Yulko
and
returning
to this
place—

there was one
who was with
our Lord's
spiritual
vessel, Narita
Yuzuru, when
first I
encountered
him.

Urethane?
Who...?

He
appears
to be
Yuzuru's
friend.

I believe
that girl
called him
"Ougi
Takaya"
earlier...

Ougi
Takaya...

Flames...?

Did something happen?

... somehow he was also able to see the flames...

I cannot understand it. Though he appears not to possess any great degree of spiritual power...

A sincere mistake...

I allowed my emotions to run away from me when I saw our Lord for the first time in these four hundred years.

Two my mistakes...

Cursed girl... I did not expect her to carry that amount of «power». I have underestimated her.

I suppressed her immediately.

That chit Yuka seized an opportunity to oppose me.

Sonyuu-no-
Koto-sensei
does not
appear to
have yet
refined...

I do not
believe him
to be one of
us, yet I do
not know his
nature or his
true shape.

But so
too does
it make
her
worthy of
being thy
vessel!

Only that
he
appears
to be no
ordinary
human...

He is
strange...

Vanily...

No... This
that
youngster
called Ougi
who con-
cerneth
me...

Ougi...
Takaya...

And
what of
our
Lord—?

Master...

I shall
do as
you ask,
Lady.

and
keep
watch
over
him.

Yes, my Lady.
With that girl from earlier.
She was with Nanika
Yuzuru this morning.

My
oid?

I have
given it
much
thought.

I would
like to
ask my
Lady's
aid in
this as
well.

Then art
suggesting
the use of
that girl?

But
with
some-
one he
already
knows

As long as
the spiritual
vessel is so
many of
strangers, we
cannot easily
approach
him...

and our
Land's
power
should then
be able to
break free.
The sug-
gestion from the
broclet will
sever upon its
removal.

Ex-
actly
so...

Thou
will
warn
the
other
and
hou.

I will
deal
with
the
girl.

I see.

Those who
lay a finger
on Yubara...
those who
interfere...

We
shall
crush.

There are probably those who aim to remove the bracelet, so I will act as your bodyguard.

Well... you're probably worried even if I ask you not to worry...

It's no bother at all.

I'm sorry for dragging you out shopping with me...

I guess so.

Hmm...? What is it?

chuckle

He doesn't really get along with older people.

Takeya's really... you know... not very sociable, I guess.

Ah... or well...

He doesn't really get along with older people.

He's impertinent and bad-mannered and quick-tempered and rude, and he's at it with the teachers all the time.

you know when he's just playing because he doesn't show his teeth.

That was his way of joking around like a dog.

Yeah.

Was he... joking around?

But he was joking around with you earlier, right?

I thought, "hmm, they're really alike, aren't they?"

Even though I had no idea you were coming.

Is that so?

Yeah.

Yesterday after you left and Takaya came to visit.

Er... is that weird?

I guess you give off the same sort of vibes?

We'll... You're really different in terms of personality and appearance, but

Why do you think so?

Speaking of which, you and Takaya don't look anything alike, do you?

Does he sense that
we are
both
«kanshou-
sha»?

This
person...

.. But
you
are
alive.

Even
when I'm
walking
with you
like this
now

Then
Yuzuru-san's
abilities are
probably
genuine.

"Alike"

Ougi
Takaya and
I...

I feel
almost like
I'm walking
with
Takaya

And at
the same
time

Recog-
nition

Yes?

About
what?

You
know,
don't
you?

Am I the
one who
wants
proof?

And yet...
what is
this
evidence?

Is Takaya
really
Kagehara?

Is there
nothing I
can do but
await his
"awaken-
ing?"

Never
once...
in all these
years.

I
would
not
be
mistaken
about
him.

Do you
have any
proof at
all?

That he
is Masaya
Kagehara.

It's proof...
That Ougi
Takaya is
"Kanshou-
shou",

No matter
the circum-
stances, no
matter his
appearance,
I have
never failed
to recog-
nize him.

If you're
going to
say that I'm
Kagehara,
then prove
it!

About
the
spirit
who's
pos-
sessed
me...

And

About
the
"him"
inside
of me.

Ah,
I
see.

Furu-
ru-san

Since
you're
here
with
me, I'll
be fine.

That's
true,
isn't
it.

I believe
that.

That's
right.

I'll be
fine
with
you.

A
mysterious
young man.

His ear-
nestness,
his
sincerity

makes
those
with him
feel at
ease

And
not
me

Nao-
son...

what
is it?

Please...

be
there
for him.

If I am
not
mis-
taken
about
Ougi
Takaya
being
"Utsugi
Kage-
nara."

Then
perhaps
it
is
this
young
man
whom
that
soul,
exhausted
and
worn
to
the
limits
of
his
endurance,
needs—

Please
watch
over him.

I will
watch
over
you,

so...

I
will...

Wait a minute here!

SHE WENT OUT!

Since she expressed a wish to go out, I allowed her to do so.

She may have lost her memories, but she has a perfectly healthy body.

Allowed...? You shouldn't just let your patients do whatever they want!

PROTEST! HERE! WANT!

Look, look after

Ah, well, incidentally, she went with the young lady who came with you the other day, so I asked her to look after the patient.

My mind
was going in
circles so
much that I
couldn't
sleep.

Like a
total
idiot—

What was
I doing,
taking
something
like that
seriously?

Sheesh.

And I
logged it
down here
on my
Sunday.
Too.

The young
lady who
came with
me? That'd
be...
Morino?

How
the
hell is
she a
young
LADY?

I've
just
started
a trip.

Let
me
see
the
journal
you
were
talking
about.

And
Takeda
and
Uesugi...
and
warriors
from the
Sengoku,

All that
stuff
about past
lives, pres-
ent lives,
possession.

Guess
I'll go
home
and
get
some
sleep?

Though I
guess I can't
say that he
was a total
liar either,
huh?

The rest
about that
this does
not
concern
you.

Is he
saying
that I can
do that
too...?

Light

GULP

Move.

then I should be
able to use that
thing he called
mandarynsuke
too.

If I'm really
Kogatare,

If what
Nees
says is
true...

Move.
I said!

THAT
LIVING
MONK!!

DAMMIT,
OF
COURSE
THEY
WOULDN'T
MOVE—!

What
the
hell...?

Why are
they
walking
around
like...

The spirits
linked to the
Tokaido are
beginning to
move...

seeing
these
things.

I
guess

So I
should
be-
lieve
him...?

it's
kinda
hard to
deny...

but don't
you think
this
place
makes
you feel
special?

There
are
other
places
that
are
this
high
up.

You
know...

I really
like this
castle.

Like I
wonder if
princesses
might have
climbed up
here?

Hahah
right

It's
probably
because I
like
historical
dramas

Wouldn't
it be
great if
this were
your
home?
Oh,
but
it'd be
cold in
the
winter
—

炎の靈気屋

Who
is
she?

Verily
...

Yes...
Yes...

All
shall
belong
to my
Lord!

We shall
command
the
«Yama-
Sengoku»

We must
clearse
this
tortured
cattle—

My Lord
must take
this
country
and steer
history
onto its
rightful
course.

FLASH

Chie

!!

Thou
art my
servant.

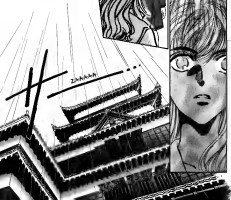

Thou shalt
break Narita
Yuzuru's
"spirit bind"
and release
our Lord—
release Lord
Shingen!!

Thou
wilt act
as I bid
thee—

Approach
Yusuru
and
remove
his
bracelet!!

How did you know that he was possessed?

I've always wanted to ask you—

I have a great deal of sympathy for him. It'll be just a little while longer.

It takes a tremendous force of will to bind Shinger's soul—

That's pretty handy.

Though I have no idea what that'd feel like.

In the same way, you can sense the different tenses of the soul energies belonging to two people.

When a mother carries a fetus in her womb, you can hear the heartbeats of two people within one body.

...huh...

You
probably
have
sharper
senses
than I do.

If I were
Kagetora,
wouldn't I be
able to tell
too?

Takaya
san?

Then I
can drive
out the
ghost
who's
possessed
Yuzare
too?

Probably
still out
on busi-
ness...

We had
planned
for a
quick
return,
but—

It's
been
two
days!

Where
the hell
is that
friend of
yours?

Well, yes, but one is a baby right now...

and the other is missing

What, there aren't any more of you?

before the trip the aryou seemed to have become involved in a dispute, so it's probably taking a little more time than we had expected to finish things up

I will absolutely not allow Shingen to have his way.

I will protect Yuzuru-san even if it costs my life.

Can you guys really protect Yuzuru?
Can you really drive out Shingen or what?

Those are
exceedingly irre-
sponsible
words...

I never
imagined that
I would hear
that from your
lips.

//

Should
I...

say the
same
back to
you?

In-
deed
I am

I'm
not!

That
I'm
like
you...?

You're
telling me
that I'm a
chance-
shop too?

What
the
hell
are
you
say-
ing?

Take
yo-
con.

I'm just
helping you
out to
protect
Yuzuru. I'm
not one of
you.

not
Kage-
tore.

I'm...

She doesn't seem to have done anything to Yuzuru herself, but...

That woman... definitely knows something...

You didn't have to come all the way here to tell me that.

Yeah, but...

worry wort

there's just something I'm kinda worried about

I was gonna stay until you finished Band, but

Takaya: What? Are you going home?

Yuzuru-san's
after-school
activities
should be
done soon.

If it
could just
and
quietly
like this...

It's been a while, hasn't it,

Nase Nobutsuna

I knew that you would show yourself. Nase—

and you have moved exactly as I'd expected.

So it was you,

Kousaka Dajou.

Kagetora's
obsession on
Ordo's
chokoshan?

you do
not
blame

Here...

Surely

glare

It's a
miracle
that he was
even able to
perform kas-
shou after
receiving so
much
damage.

It's not as
if you don't
know

It is not
because of
the blow
from the
chokoshan
that
Kagetora
doesn't have
his
memories.

Kagetora
sealed off
the
memories
himself

It was he
himself
who wished
for that—

—
Truly?

If this age becomes the
Warring States once more, then
it is the duty
of the vessel to
help his lord
rule the world.

"Why?"

What a foolish
question.
I too am a
command-
er of
armies.

Like you,
I have no
wish to see
Nebunage
ruling "all
under
heaven".

I would
never
have
imagined
you

to hold
such
foolish
ambi-
tions...

!!
...Kou-
sakall!

No matter
that the
reason, I
cannot
allow
Shingen's
resurrection

The
existence of
the «Yam-
Sengoku»
threatens
the order
of this age

If you would
revive
Shingen no
matter what
the cost—

This «Yam-
Sengoku»
can dispel
the regrets
of my Lord,
whose life
came to an
end before
he could gain
the rule of
the country

Four hun-
dred years
ago, Lord
Takeda
Shingen
died of ill-
ness while
marching on
the capitol.

Haah... I
have always
thought
that we
would one
day settle
this, and it
seems that
day has
come

We will
destroy all
those who
stand in
our way

I will give
"all under
heaven" to
Lord
Shingen
and no other

Naoel!

I will
destroy
you!

I will
show
you no
mercy.

Kousaka
Danjou.

Your
"choubukuu"
has no
effect on
me, for I am
kanshouhei!

Fight me
with
your own
powers,
Naoel!

If I sit down
right now, I
don't think
I'll be able to
get up again.

So tired...

I'll ask Naze-
son to
take me
in his
car.

Can I
make it
home...?

Huh...?

Gh.
Morino-
son

You
startled
me...

You
haven't
gone
home
yet?

She
looks a
bit
strange
somehow.

Are
you
all
right?

Marino-
sen?

Speaking of
which, she
was awfully
quiet today...

WPS
stagger

Remove
Toward's
breasted!

If you
like, I
can
ask for a
cer—

should
we call
your
house?

Are you
not
feeling
well?

You look
pale...

This
horrible
un-
easy-
ness

I've felt it
before, but
never this
strongly—

What...
was that
just now?

Is
something
about to
happen?

She knows
something
for sure!

Damn!!!

I have to
get to the
hospital!

CRASH

!!

That
girl...
Yuiko.

Kuah

Ugh!

Crack

GRAAAAAAH!

S. T. Ten

bang

Heheh

No ordinary
power, as
expected.

What?

None.

Would you like to hear why I choose Narita Yuzuru as the spiritual vessel?

His true nature. It seems that none of you have noticed it yet.

It's probably some sort of fate

But

It's truly laughable that you haven't realized

What do you mean!

Kousaka!

that Kagetora was there beside him

Narito
Yazuru's
existence is
a threat
to the
Roku Dou
Sakai.

He must be
destroyed.

Kousoku,
damn
you,
what do
you
know, ?!

Now!!
Warriors
of the
Takeda!

He will
be
erased,
and his
body will
belong to
my Lord.

In any
case, his
«powers»
will be used
to gain total
control of
the «Yama-
Sengoku».

Yuzuru-
san!!

What the hell are you guys up to?

You... What the hell are you?

Welcome, Ougi Takaya.

Don't thou aim to save Yuzuru? Then thou art already too late.

What did you say?

Before I tell thee, wilt thou not show me thy true shape?

What?!

What the hell did you guys do to

Ah!

Yuzuru...?!

Sen-jou

I am Sen-jou!

Heh

hah hah hah

hah hah hah

hah hah hah

Now
watch
our
resur-
rection!!

No
one!

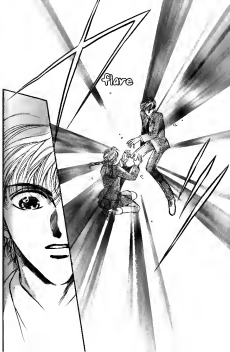

None
shall
stop us
now!
Tis the
resur-
rection
of our
Lord!

You
bitch!

.....

AAAAH!

Ugh...

Ah...

gwooooo!!

He hath been
resurrected...
He hath been
resurrected!!

O'warriors of
the Takeda,
tonight we
conalt

In the
resurrection of
our Lord
Takeda
Shingen—!!

This night we
celebrate!!

Marina!

Marina!

Hey!

Huh?

Oh no!

Ougi-kun?

The
«statue»
bracelet»
...so—

Ugh

You don't re-
member?

Has some-
thing
happened
to
Narita-
kun?

Halo?
What?

Marino,
What
about
Yuzuru
?!

She was
only ma-
nipulated
to take
off the
bracelet.

Marino
doesn't
know
anything.

Capt-
ain.

If Shingen
was
released
when the
talisman
lost its
power
and has
taken over
Yuzuru's
body...

Ougi-kun!

What have I been doing?

Huh, what? What do you mean?

Mori no, You're okay now, right? Can you get home on your own?

I'll tell you later. Go home for now.

Wa...
Wa...!

Where...
is he?!

And that enigmatic warning...

What are you thinking, Kouzou?

Get away

—No, he was the one who had the upper hand.

Narita Yuzuru's existence is a threat to the Boku Dou Sehai.

Right now, dealing with Shingen comes first—

He may know something, but...

Rather than running away, he let me go...?

My
lord...

There
stands our
Fekashi
Castle,

Yet...

Ho
Ho
Ho
crackle
crackle
Ho
Ho
Ho

crackle

we must
cleanse it
of the
enemies
left by
those who
lived within

«ancient
history»

Yet
before we
enter this
castle
once
more.

Allow
me to
cleanse
this
castle

yes.

We will
cleanse this
castle of its
history... and
once again
become its
masters.

WHOOSH

Celebrate
my resur-
rection!
Burn is
celebration!

Burn the
remains of
this sullied
history to
ashes!

rumble
rumble

Hah
hah
hah
hah!

Burn...

Hah
hah
hah
hah!

Hah
J

Burn
hotter!

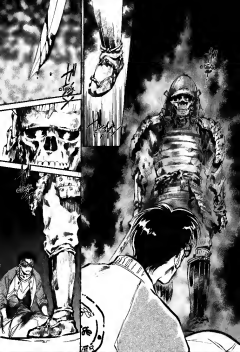

Destroy
it all

Destroy it!

Burn it all
to ash!

If you wish to
awaken
Exotora, there
is no
opportunity
more perfect
than this.

I'll give
you a
chance,
Nose

Lord
Shingen

Please
show me
the
power of
the
Koushou
onyou.

*Oh
terror

*Oh
terror

This is what

"the Takeda

the

10. **How many**

Naoel

Why are you playing around in a place like this? Have you gotten that there are lives at stake?

Does it look like we're playing around?

They're ?!

If we don't
exercise all
of the
resurrected
dead—

Please give
me a hand
instead of
standing
there like a
rock.

Sheesh!
Look—!

TEACH
ME TOO!

I LOVE
THESE KINDS
OF THINGS!
THEY'RE
CALLED
'PSYCHIC
HORRORS',
RIGHT?

Huh?!

That's
so
cool.

What
do you
mean,
give you a
hand?

Wa.

Shingen has
erected a
banner of
considerable
size over the
center of
Mortumato
City

Takaya
can.

A black and white manga panel showing two men from the chest up. The man on the left has dark hair and is wearing a patterned jacket. The man on the right has light-colored hair and is wearing a dark jacket. They are facing each other in conversation.

So
people
can see
'em.

However,
and many
people are
now able to
see them and
their
actions...

Within the
banner the
ghosts
cooperate—
and of course
Shingen's
own—are
amplified

What're
they
talking
about?

Probably
the
complete
destruction
and
subjugation
of Mortu-
mato

—what're
they
planning?

To the onmyō,
the power of "destruction"
is everything
Their malice is completely transformed
into "destruction"

He can do it.

Destroy
the city?
Shingen is not
Godzilla or
anything—can
he really do
that?

Not only that—
they will make
Matsumoto
their stronghold
for entering the
«Yam-
Sengoku»
battlefield.

Everything
in this world is a
target for
their
hatred...
and destruc-
tion...

but since
they were
originally
spirits, no
modern
weapons will
harm them.

With the
amplification
of their
spiritual
powers, they
appear to
have gained
half-mortal
bodies,

What the hell happened to Yuzuru —?

We have no choice but to stop them ourselves.

And Yuzuru —

How the hell do you know?

Shingen has not yet performed koushou.

Has Shingen already stolen his body?

You said that you'd protect him!
Is Yuzuru dead?

You bastard!
Yuzuru might die,
and you're
talking about
responsibilities?

Don't
make
me
laugh!

You're
completely
irrespon-
sible!

What the hell
are you going
to stop
anyway, when
you couldn't
even protect
Yuzuru?

let me
ask in
return

Then

If you
couldn't
protect
Yuzuru,
then it's all
the same
anyway!

Irrespon-
sible? I've
put my life
on the line to
protect him

You
possess
the
powers

Do not
blame
everything
on someone
else when
you should
be taking
action
yourself

You and
you alone
can save
Yuzuru-san
from Shingo's
violence

Why have
you not
acknowledged
your own
powers?

I have said
that you
are the
only one
who can
save
Yuzuru-san
—why do
you refuse
to believe
it?

Stop
evading
responsi-
bility!

I'm not
Kage-
tora!

Am I
wrong?

Those who
have the
power to
act and
yet do
nothing
are
cowards

Are you so
afraid of
knowing the
truth?

No...

You keep
running and
running—are
you so afraid
of bearing
responsibility?

Please
just try
believing
that you
are the
Uesugi
Kagetora.
I speak
of...

So why
don't you
try
believing,
even if you
think you're
deceiving
yourself?

But you
don't
actually
know
whether or
not you are
Kagetora,
do you?

There
is nothing
I can do
if you
don't
want to
admit
it...

Well...
Is that what it sounds like?

What the hell kinda truck is that?

If you do, you'll probably be able to use some of Kagetora-sama's powers even if you're just an ordinary human being.

Who the hell is Kousaka?

I'm going to look around the station.
The matter of Kousaka concerns me.

In any case, please search in the vicinity of Matsumoto Castle.
It is a perfect base which Shingen can use to gain control of Matsumoto.

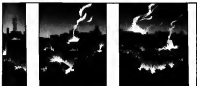

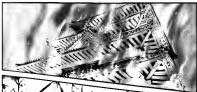

What about you?

My Lord's
powers
alone is
enough to
devastate
this city to
such an
extent—
his child's
play

Just a
little while
more, my
Lord—

Obey
me

Run
Run away!
And

炎の聖気楼

NAQITA-
KURAMI!

Morino

Was it
because of
that thing...?

Isn't
that...

Yazumi's
orcishman
brooch...
—?

He
had it
on the
other
day

He... he
dropped
it
earlier—

I was
going
to return
it.

I wasn't
up to
any-
thing!

So don't
jump to
conclu-
sions!

It's like
something
the ghosts
can't get
near

I get
it
—

Lucky
break!
Let's go,
Marina

Don't
take that
thing off
your
arm!

Huh?

Ready
or not

here we
come!!

This
one
drawing
near—

Ougi
Takaya,
so thou
hast
come—

Very
well.

Then
—

Where
are
Shingen
and the
others?

I,
Son'ya,

shall
greet
them in
person

Their powers
were petty,
but dealing
with so many
has left me
pretty badly
exhausted

Dozens
...uh,
hundreds

How many
spirits
have I
exercised
—?

Can I
really
take
Shingen
on in
this
state—?

Yuzuru - sa

No

Shingen

Hah

Be
tip
there.

The one
who gave
my vessel
the
suggestion
to land
me—

You are
Nao
Nabu-
tama...

The son of
Kenshin's
trusted
retainer,
Nao Yama-
to-no-Korei.

I perhaps
met thee
once at
Kawaraka-
gata...

So thou
wert han-
shouka.

We
should
first
celebrate
our
reunion.

Then I
shall
take full
account-
ing.

Agh

for thy
rude-
ness
from
thy
flesh!

Here
shall I
destroy
thee.

Shingen

Your
existence

forth became
troublesome
to us...
